MEMORANDUM FOR : HQ, USAF
AFCI0-5

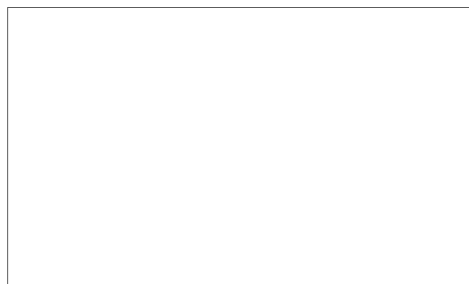

ATTENTION : Lt. Col. Leo P. Geary

SUBJECT : Clearance of [] Personnel for Project
Assistance

1. The Project Director has approved clearing approximately seven Air Force officers and civilians assigned to [] to assist our project in developing airborne filter equipment and airborne gaseous sampling equipment. []

[] we anticipate making occasional flights to altitude during which we will obtain samples of radioactive debris and occasionally obtaining whole gaseous samples. These samples will be turned over to [] chemistry laboratories for analysis.

2. Following is a list of those we intend clearing for this work:

I will inform you when they have been granted clearance and we wish to brief them on the project. As you know, [] is already cleared and knowledgeable of the project.
